

Handwritten text in a highly stylized, cursive script, likely a cipher or a very fast cursive. The text is densely packed and covers most of the page. There are some larger, more distinct words or phrases interspersed, such as "di pua" and "tena" which appear to be part of the deciphered text. The script is characteristic of the "Dispacci" used by the Venetian Republic in the 16th century.

50 - Dispacci cifrati del bailo Barbaro del 9 e 30 ottobre 1571
(L'inferiore accenna alla vittoria di Lepanto).
